AND BE INVOLVED IN YOUR
COMMUNITY.

First State's Mission:

"To work towards the elimination of poverty and lessen the effects of poverty on people of low-income."

About La Casita Outreach Center

La Casita Outreach Center opened its doors in March of 1995, bridging the cultural and linguistic gap between the Hispanic population and local businesses, service agencies and residents. After more than 20 years of service, La Casita has become an integral part of this diverse community.

Our goal is to build a support system for our clients and to ensure that they have access to the resources that they need in order to live a productive life. Through a combination of useful and educational services, individuals can become well-informed, successful Delaware residents.
